**SCOTCH SHORTHORNS**

To be held at Leveldale Farms, Mason City, Illinois

**WEDNESDAY, NOVEMBER 8, 1950**

Hal Longley, Sale Mgr., 16 S. Locust St., Aurora, Ill.

*Please bring this catalog with you to the sale.*

## General Information

A breeding list, showing all service dates, will be provided on sale day.

**LOCATION**—This sale will be held on **Wednesday, November 8, 1950, at Mathers Bros. Farm, Mason City, Illinois.** Mason City is just half way between Peoria and Springfield on Route 29. The farm is located 5 miles West and 1 mile North of Mason City. Take paved Highway 10 West out of Mason City 5 miles to the town of Teheran. Then turn 1 mile North to farm. Please note that the sale will be held on the West Farm. Go one mile North of Teheran and turn one-quarter mile West. Gravel road right to the farm. Parties coming from the West should come to Havanna, Illinois, then take Route 10 directly to Teheran.

Sale will start promptly at 1 p.m. Lunch will be served at the farm by ladies of the church.

There is a comfortable hotel in Mason City, Illinois, and we will be glad to arrange accommodations for those who arrive the day ahead of the sale. Write L. E. Mathers or Hal Longley.

Those traveling by rail should come to either Lincoln, Springfield or Peoria from which cities frequent busses leave for Mason City, Illinois. We will be glad to meet parties in any of these cities if advance notice is provided.

Those who wish to secure further information about the cattle in this sale or regarding travel accommodations either by train, bus or auto should get in touch with Hal Longley, Sale Manager, 16 S. Locust Street, Aurora, Illinois.

The auctioneers will be J. E. Halsey, C. D. Swaffar and H. P. Miller.

## As a Calf . . . Reserve Champion at the 1949 International

### **LEVELDALE CROCUS—An unretouched photo**

**By Kirkton Eureka, a bull we imported and sold.**

Although the owners have instructed me that they preferred to let the public judge the merits of these cattle and they didn't want me to get too flowery in my descriptions of the offering, they failed to place any limitations on what I might say about the men who are selling them. Accordingly, my foreword in this catalog will be confined largely to my opinion of Les Mathers and Gene Mathers.

Les Mathers is one of the greatest cattlemen I have ever known. His ability is not confined to the judging of cattle in show form. He has that ability to see the hidden things in an animal that many of us fail to detect and these are the things that really determine whether the animal will prove a success or a failure in the breeding herd. His knowledge of proper feeding, handling and development of calves is without equal. I know of no man who has done more to help others on their own farms through the power of good suggestions. Following very closely in his footsteps is Gene Mathers who seems to have inherited all of his father's ability.

All of the knowledge of these men is wrapped up in the cattle they are selling. They have prepared the footnotes in this catalog themselves and, having seen the cattle, I can attest that these descriptions are not overdrawn. The records provide proof that the cattle bred or imported by the Mathers have made good for their new owners. I believe that future Shorthorn history will be written around the cattle that are being offered in this sale.

—Hal Longley of The Shorthorn World.

## **We Invite You . . .**

We are pleased to extend a cordial invitation to all lovers of Shorthorns to attend our auction on November 8, 1950.

The cattle offered have been selected with the hope of pleasing the most critical judges of beef form and the most careful students of Shorthorn bloodlines. They represent the best we have been able to produce along with a liberal number of cattle that we selected personally in Scotland. Although we have been importing only a few years, the ability of the bulls and females we have brought over to produce winners has been proved in a decisive manner.

We are proud of our offering, are sure of their health and are ready to guarantee their usefulness to our customers.

Whether you buy or not we hope you will spend the day with us at Leveldale on November 8th.

# Terms and Conditions

**GUARANTEE**—All cattle in this sale will be sold under the standard guarantee endorsed by the American Shorthorn Breeders' Association. Certificates of registry and transfer will be furnished with each lot sold. Shipment will be made as soon as possible after the close of the sale without trouble to the purchasers, but cattle will be at buyers' risk as soon as bid off. Every precaution will be taken to see that animals arrive in sound and healthy condition.

**TERMS**—The terms of this sale are cash unless arrangements are made in advance with the owners. All settlements must be made with the clerk of the sale immediately at the conclusion of the auction and before the animals are removed.

**HEALTH**—The Mathers Herd is Federally Accredited for Tuberculosis. We practice calfhood vaccination for Bangs Disease. All females have either been vaccinated or have passed a clean Bangs test within 30 days of the sale. All cattle in this sale have been tested for Bangs Disease within 30 days of the date of the sale. A 60 day Tuberculin retest will be allowed and all cattle are guaranteed to comply with the health regulations of any state into which they may go. Health certificates will be provided with each lot sold.

**LIABILITY**—The above guarantee and terms shall constitute a contract between L. E. Mathers, L. E. Mathers, Jr. and the buyer of each lot. Neither the clerk of the sale, nor the individual designated as Sale Manager assumes any liability, legal or otherwise. Where footnotes appear in this catalog they were furnished by the owner. We will not be responsible for any accidents that may occur, but will make every effort to provide for the comfort and safety of our guests.

**INQUIRIES ABOUT CATTLE LISTED**—The sale manager will gladly answer, to the best of his ability, any question which may arise in the minds of prospective buyers concerning the breeding and quality of any animals listed in the catalog. Such correspondence should be addressed to Hal Longley, Sale Manager, 16 S. Locust St., Aurora, Ill.

**MAIL ORDERS**—Those unable to be present who desire to do so may send buying orders to any of the following reliable men, all of whom will be in attendance:

Hal Longley, The Shorthorn World, Aurora, Ill.

Don Longley, The Shorthorn World, Aurora, Ill.

C. K. Tomson, American Shorthorn Breeders' Association, Union Stockyards, Chicago, Ill.

# Headquarters for

# HERD BULLS

It is easy to make mistakes in the founding of a new herd or even in the effort to improve one already established. We can think of several we have made ourselves. The pitfalls are far fewer, however, if advantage is taken of the experience of others who have had a fair measure of success. To those of you who may be contemplating the purchase of a new herd bull, we suggest, first of all, that you visit the farm of some man who has been using one from the same source which you contemplate patronizing. Study the calves. This is the acid test. You'll find a Level-dale bred bull or a bull imported by Mathers Bros. just around the corner from most anywhere in this country. We do not hesitate to urge any prospective buyer to visit these farms. We are certain it will cause a desire to own one of the good bulls in this sale.

**IMP.  
GLASSINGALL  
RESEARCH—**

Many times a champion and three times a first prize winner at the International Livestock Show, he has come into his own as a stock bull. Note the many choice herd bull prospects by him in this sale and at the side of their dams in our pasture. The great heads he puts on his bull calves will surely be appreciated.

### IMP. GLASSINGALL RESEARCH

*The faith we have had in this great imported-in-dam bull since the day he was born has now been justified. After winning first prize at the International Livestock Exposition three successive years, he was placed in service and his calves exceed our fondest hopes! His get and service will feature this sale. The above photo shows him in yearling . . . a perfect type.*

Aldie Mainliner—Selected early in life to be one of our stock bulls because of his sappy flesh, great bones, good head and fleshing quality. We were also prompted to use him because he was the first calf from a great heifer, Aldie May Clipper. She is near an ideal cow. Several sons of Chapelton Baronet have been prominent winners. Among the tops are Aldie Bequest, reserve champion at Perth, 1949, sold at 3100 gns., and Aldie Red Gauntlet, first in April class at Perth, 1950, sold at 3600 gns. to go for service at Calrossie. The first calves by Aldie Mainliner have justified our confidence in him. Aldie Mainliner was grand champion bull at the 1950 Indiana and Kentucky State Fairs.

Aldie Apex—Extremely smooth, grand bone and style, the kind of a bull you don't forget. His dam is a rugged, low set daughter of Pittodrie Regalia and out of a Cruggleton Willingdon cow. She is a heavy milker and has a grand calf again this year. Sons of Chapelton Baronet have done well. Aldie Bequest, reserve champion at Perth in 1949, sold at 3100 gns. Aldie Red Gauntlet, first in class at Perth in 1950, sold at 3600 gns. to Capt. John MacGillivray for service at Calrossie. We will use this bull and believe he will make a great two-year-old in 1951. He was reserve champion bull at the National Shorthorn Show in Memphis as well as at the Wisconsin and Iowa State Fairs.

Erimus Dandy—This bull came to the Ohio State Fair direct from quarantine and stood second to the champion in the senior yearling class. He also stood second at the Kentucky State Fair and fifth at the National Show in Memphis. His sire was second in his class to the reserve junior champion at Perth and sold at 2900 gns. Ballathie Command by Pittodrie Banker, Perth champion, is a full brother to Larbert Patrol, stock bull at Ballathie in Scotland, and Tolquhon President in service in the Carl Retzlaff herd in Walton, Nebraska. Erimus Dandy was used in the herd of Douglas Dron, Crieffvechter, while waiting in Scotland to get in quarantine station. Mr. Dron wrote me he was a good server and sure.

(Left) Is there anything to "record of performance"? If so, Lots 2 and 8 should prove to be great sires. Both are out of the famous female pictured at the left, Divide Patience 51st. She was twice an International grand champion female. Her first two daughters sold at \$3700 and \$5000 respectively.

Leveldale Basque—Extremely short, heavy bone, great depth of body and out of Imp. Kair Butterfly Charm, one of our very best daughters of the great sire Bapton Commando. The dam is a grand type to produce herd bulls and her calves have all been good. Leveldale Basque stood fourth at Illinois, second at Wisconsin, fifth at Ohio, third at Indiana, fourth at Kentucky and third at Memphis. He has many admirers.

Leveldale Alliance—His sire, Leveldale Layman, is now stock bull for Russell White at Pawnee, Illinois. He was probably the best bull Glastullich Celtic sired for us. Elkhorn Pauline 2d produced Leveldale Print that was sold in the 1948 International sale to Wm. Corray, Urbana, Illinois, at \$1500. Leveldale Alliance has ruggedness, a good head, general thickness and is a good doer. He is weaned off his dam and is coming fast.

Leveldale Nomad—Reserve champion bull at the 1950 Illinois State Fair, first in class at the Ohio and Kentucky state fairs, and sixth in a huge class at the National show. His head is near perfect as are his back and quarters. He has a very deep body with a good hide and flesh. His full sister, Leveldale Nonpareil, was the top female in the Illinois state sale in 1950 and Ed Rockefeller tells me she is the best female in the new herd he is assembling for Irl Daffin, Lititz, Pennsylvania.

We may decide to withdraw him to retain for our 1951 show herd. He did not photograph well and you may expect to see a much better bull than the picture indicates.

**Right—You'll find females like these at Leveldale Farms. . . with good heads, substance and the ability to produce lusty calves of the right type. Three of these were sold in our 1948 sale. We are offering the same type again.**

**Left—In this picture are shown two of the most famous cows of the breed, Leveldale Rosewood 10th and Divide Patience 51st, with their calves at side. Both cows won their classes at the International in 1940 and 1941 and the latter was grand champion at that show both years.**

## About The Females In This Sale

*Here are five members of the famous Fairy Ring Lady family that have been produced in our herd. These five have been sold at a total of \$3050 and are all proving excellent brood cows for their owners. We bought the original Fairy Ring cow from Leo P. Duer in an Abingdon sale. The sixth female from this family will be sold in this auction and she is a good one. See Lot 40.*

The next fourteen lots listed in this catalog are imported females. Although they were selected in Scotland along with others for the express purpose of strengthening our own herd, we have decided to share them with the public. We believe they are the kind upon which the most successful herds may be founded.

Bella Charity—A granddaughter of Cruggleton Perfect and sired by the 3000 gn. Cruggleton Adonis. This cow has proven her worth by producing the \$5000 Cruggleton Pretender, head of the Geo. Struve & Sons herd. Another son, Leveledale Legionnaire, sold at \$1000 in our 1948 sale. Leveledale Charity, a daughter, is one of the choice heifers in this sale. Bella Charity has a red bull calf at side that is a real show calf. The calf was dropped May 22, is sired by Glassingall Research, and she is in calf again to this same great sire since July 28. We are parting with a great breeding plant in this cow.

She produced a show calf in 1949 which we lost, and also produced Leveldale Augusta 31st, a heifer that is included in this sale. Calrossie pedigrees are much to be desired because of their great record of production. Kirkton Baronet bulls have brought top averages at Perth each year and now head many of the great herds in the world. Here is another very valuable breeding plant and she is in calf since April 18, 1950, to the service of Imp. Glassingall Research.

Saltoun Pauline 5th—A daughter of Pittodrie Impression, sire of the 1950 Perth champion bull. This young cow has proved herself a great breeder. Her first calf, Saltoun Milestone, was top bull in the last March, Abingdon sale, at \$1350, going to Russell Ryden and Harold Doubet. We lost her second calf, a solid red bull which looked like our best 1949 bull calf. Her third is a dark roan heifer by Glassingall Research, born March 15, 1950, and we have decided to let this calf sell with the dam. This valuable imported cow is rebred to Glassingall Research since May 13, 1950.
